Dear Sir:

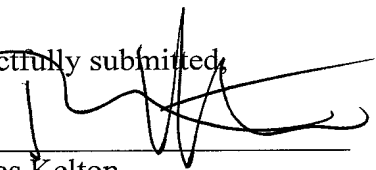

Applicant notes with appreciation that the present case stands allowed (see Notice of Allowance mailed June 15, 2009). However upon careful review, Applicant has discovered an apparent informality in the application file record wherein the Information Disclosure Statement filed on August 21, 2008 lists references that have not been initialed by the Examiner. The Information Disclosure Statement and cited references can be found within Patent Application Information Retrieval (PAIR) under the Image File Wrapper tab.

As the Examiner is required to review the art cited in the application, Applicant believes that the art has been reviewed but that the Examiner inadvertently neglected to note as such. Accordingly, Applicant respectfully requests that the file record be amended to provide a clear record that the art cited in said Information Disclosure Statement has been considered by the Office. Thus applicant requests the Examiner make of record that the prior art cited in the respective Information Disclosure Statement filed on August 21, 2008 in the application was considered.

Please charge any fees required or credit any overpayment to Deposit Account 06-2380 under Order No. 58895/P003US/10305848 during the pendency of this Application pursuant to 37 CFR 1.16 through 1.21 inclusive, and any other sections in Title 37 of the Code of Federal Regulations that may regulate fees.

Dated: August 28, 2009

Respectfully submitted,
